WHAT IS CPS?

CPS (Carrier Pre-Select) allows you, the customer, to select the provider you wish to use for your telephone calls. You can use one provider for your telephone line rental, and a different one for your telephone calls. By filling out and signing this form, you are authorising us to handle your telephone calls, thereby availing of our highly competitive rates.

- You do not have to change your phone number.
- Your phone service will not be interrupted during the changeover.
- You do not need to change any of your existing equipment.
- You will continue to receive your monthly or bi-monthly bill from Eircom, for the line rental, but NOT for actual calls made. Calls will appear instead on your World-Link bill, which will be emailed or posted to you monthly.
- With World-Link, there are no setup fees, minimum call fees, connection charges, or minimum monthly spend. Billing is per second. You not entering into a fixed-length contract, and can close your account with us whenever you choose.

YOUR EXISTING SUPPLIER

When you change provider, in this case to World-Link, your existing supplier cannot contact you directly in relation to your voice calls for a period of 3 months. www.comreg.ie contains more information regarding CPS.

ADDITIONAL INFORMATION

Please note that it will take approx. 7 working days, from receipt of this form, for us to switch your phone over to use World-Link. During that period, any calls you make will still be routed through your existing carrier (eircom etc). Once this service has been set up for your phone line, you will STILL receive a bill from your existing carrier for your monthly line rental. Please contact our office if this is unclear.

LINE MAINTENANCE

Your line remains the responsibility of your line provider to whom you pay monthly rental. Any faults with the line must be handled by this provider, most likely Eircom.

ALL INFORMATION GIVEN ABOVE IS ACCURATE AS OF APRIL 2nd 2005. WORLDLINK RESERVES THE RIGHT TO MAKE CHANGES TO THE SERVICE, FEES, CHARGES ETC. AS NECESSARY, GIVING A MINIMUM OF 7 DAYS NOTICE TO ITS CUSTOMERS OF ANY SUCH CHANGE.
